Regarding the accommodation we have the hotel “Zum Fliegerwirt” directly at our airfield.

Adress: Hotel „Zum Fliegerwirt“
Armin Brandt
Flugplatz 34
88512 Mengen
Tel. 07572-76034-0
Fax. 07572-76034-10
E-mail: hotel@zum-fliegerwirt.de
Internet: www.zum-fliegerwirt.de

All details please see the very nice homepage of the hotel.

To make the things easy please do your reservations by yourself. Please do your reservations at Mr. Armin Brandt and give him the subject “Alfa-Treffen”. Please do your reservations per E-Mail or per telephone.

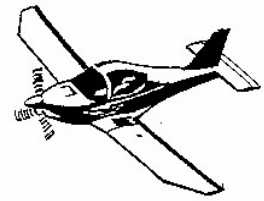

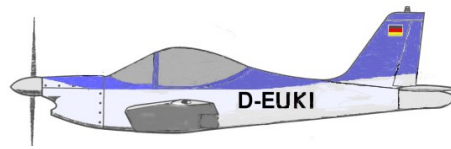

In the hotel there are max. 14 double bed rooms available. Should this be not enough Armin Brandt will organize alternative hotel rooms in the neighbourhood and he will arrange a shuttle-service.

Of course it is also possible to sleep in your tend at the airport, if you like to do this. Showers and bathrooms are available.

Lunch and dinner we can have in the airport-restaurant, as last time.

Also this hotel has a conference room, which we can use during our meeting. I will bring Laptop und Beamer with me. So, if anybody wants to report about his project, he will be very welcome to do this. I would be happy about this. Please think about what you can share with us in 2018.

12. International Alfa Fly-in

I think there are a lot of good reasons to come to Mengen this year for the 12. International Alfa Fly-in.

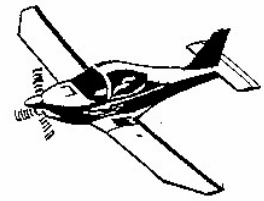

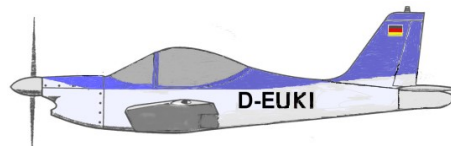

Information's about the airport you can find under [www. regio-airport-mengen.de/](http://www.regio-airport-mengen.de/)

We will be at the airport Mengen from Friday app. 2 p.m. and waiting for you.
